PATIENT AUTHORIZATION

I authorize my healthcare providers, pharmacies, and health plan(s) to disclose my personal health information on this form as well as information related to my medical condition, treatment, care management, prescriptions, and health insurance to Patient Services and Solutions, Inc. and its affiliates, contractors, and agents, including its third-party patient support program service provider (collectively "Teva") for the purposes described below. I understand that the purpose of this Authorization is to provide me with access to services related to my prescribed medication and/or medical condition ("Program"), including (i) enrollment in the Program; (ii) conducting benefits investigation and coordinating my insurance coverage, which may include allowing a Teva field-based representative to access my information and engage with my healthcare providers directly, if necessary; (iii) if needed, determining my eligibility for and coordinating financial assistance; (iv) coordinating prescription fulfillment and product replacement; (v) providing nursing support, including product administration training and education; (vi) facilitating quality and adverse event reporting activities; (vii) conducting data analytics, market research, and Program-related business activities; (viii) contacting me by direct mail or by electronic or telephonic means to the contact information on this form or to any future contact information provided by me or on my behalf in connection with carrying out the Program services, including adherence-related communications, reminders, and support, for which the third-party service provider may receive financial remuneration from the manufacturer of your medication. I understand that I may cancel this Authorization at any time, by writing to Teva, Attn: Authorizations, P.O. Box 7613, Overland Park, KS 66207-9941, but my cancellation will not apply to any information already disclosed pursuant to this Authorization. This Authorization will remain in effect until the Program ends. I understand that once my information is disclosed, it may be subject to redisclosure by the recipients and no longer protected by federal privacy law. I understand that my treatment, payment for treatment, insurance enrollment, or eligibility for insurance benefits will not be directly affected if I do not sign this Authorization. However, if I do not sign this Authorization, I may not be able to receive Program services. I am also entitled to a copy of this signed Authorization.
